NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of volunteers, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A recruit must, in all cases, precede payment of pay, bounty, pension, &c. A recruit in roll must, in all cases, be filed in the Adjutant General's Office as evidence of enlistment. The recruiting officer, commissary, or assistant commissary of recruits, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

NOTES.

1. The amount of any arrears pay for which the soldier may be mustered, or, as Acting Hospital Steward, or Soldier, &c., and which may be due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
5. A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Dep't.
9. Where a soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the muster rolls for Volunteers, Duty and Enrolled. Commencement of First Payment by Time, will be written the word drafted, or substitute, as the case may be, and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted. (Substitute, under the Enrollment Act, are mustered in by enlistment.) Under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted.) Under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass. (meaning 4th Enrollment District, State of Massachusetts.) (If a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by commanding officers, and by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of *Comp No.*

FINAL STATEMENT

Private
John G. Large Co. G
14th Reg't of Kentucky Veterans

VOLUNTEERS.

Killed July 21. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled with the Paymaster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list was not on file with the accounts for back pay, &c., are settled by the Adjutant General's Department.

NOTE 4.—Charges for loss or injury to clothing, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landrum must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

W. H. Hughes Assistant Surgeon

Surgeon 38th Regt. Infy Surgeon in charge

NE. 7m.)
La-883 NOTE 1. 1866

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

I CERTIFY, that I have carefully examined the said Robert Langhorne private of Captain James C. NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1860 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

War Department.

Adjutant General's Office,

Washington, May 31st 1887.

This man deserted on or about May 8th
1862, and returned

on or about April 6th 1863.

As he was subsequently restored to duty by S. O.
no 25742, g. o. 2 div 23 A. 6
dated Aug 18/64,

without trial, but upon conditions which appear to have
been complied with (so far as not waived by the Gov-
ernment), the charge of desertion no longer stands
against him. The record of the fact that he was absent
in desertion from on or about May 8th
1862, to on or about April 6th 1863,
cannot, however, be expunged.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return for the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will counter-sign both enlistments so having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

orders of the President of the United States, and the orders of the officers

Witness Wm. H. H. H.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, George L. Luman
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the
duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting
service. This soldier has blue eyes, black hair, dark complexion, is 5
feet 9 1/4 inches high.

VOLUNTEERS.

Dead Aug 30. 1884.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 2.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the final statements, and ordered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing allowance, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the commanding officer of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive portion of the master roll should be destroyed. The object of this is, that the remaining portion of the master roll, when the receipt of the receipt of these master rolls, the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for bank pay, &c., are sent by the Adj. Auditor of the Treasury Department, and

ARTICLES OF WAR.

ART. 22. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 22d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier have no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the _____ of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, the copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

of the

OF

Private Henry C. May
15th Reg't of *Kentucky*

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as so to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

Pi

Stephen L. May

14th Regt of Ky Vol Infy

VOLUNTEERS.

Disch July 20 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are sent by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to clothing, horse, equipment, and other miscellaneous charges, should appear on the descriptive list, and be stopped.

NOTE 5.—Money paid by State authorities, and other moneys, should be entered on the statement.

NOTE 6.—Amounts due the Soldier and Landwarrant, &c., entered on the master roll on which the discharge, death, deserted, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

Sir:

I am a
private in Company G of the
14th Kentucky Regt, in four troops I was
left at the hospital at Camden
gap, by my Regt & was there &
then taken prisoner by the Confed-
erates & Paroled. After being paroled
I went to Camp Wallace (Ohio)
& reported myself; after being in
camp some length of time I got
leave of absence to go & see my
family & while visiting at my friends

was taken by the authorities as
a "deserter" & am now in prison
at this place; had been a prisoner
about two months. I have received
no pay for nine months or
made & in consequence of this my
family is in a suffering ^{condition} at home.
Now what I want to ask you
is, can you not have me released
& exchanged, or placed at some
place where I can be better treated
than I am here. Knowing you
to be a humane man & one
wishing to do justice to all I leave
the affair in your hands hoping
you will remember me as a suf-
fering Union soldier.

I am a resident of Johnson Co
Kentucky. Remember me to
your family &
I remain, L. C. May.

L. C. May. Am imprisoned in
this city (Lexington)

R. 133 1864

FINAL STATEMENT

OF

John D. May

1st Reg't of 2d Inf

VOLUNTEERS.

Disch Aug 15 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to personal baggage, and other miscellaneous charges, are reported on the back of "Other Stoppages."

NOTE 5.—Bounty paid by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier after discharge must be entered on the master roll on which the discharge, draft, description, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

volunteered this fourteenth day of February 1862
to serve as a Soldier in the Army of the United States of America, for
the period of THREE YEARS, unless sooner discharged by proper authority:
Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be,
established by law for volunteers. And I, Samuel M. Morris do
solemnly swear, that I will bear true faith and allegiance to the United States
of America, and that I will serve them honestly and faithfully against all
their enemies or opposers whomsoever; and that I will observe and obey the

appointed over me, according to the Rules and Articles of War.

Given and subscribed to, at South Whiting
this 22 day of Feb 1862 Samuel M. Morris
Barnes Samuel M. Morris

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

Ed. Whiting
14 or Regt 19 2d Ill.
EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, S. Morris
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the
duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting
service. This soldier has 5'4 in height, 140 lbs. weight, 5 in chest, 3 in waist, 10 in arm, 10 in leg, 10 in foot.

Col. G.W. Gallup,
Comin'g 14th Regt. Ky. Vol. I.

Dear Sir:

I hereby respectfully tender my resignation of the
Chaplaincy of the 14th Ky. Vol. In so doing, I desire
to express my high appreciation of the courtesy and kindness I
have ever received from yourself, your officers, and men;
and my gratitude for the facilities afforded me to minister
to your men in the duties of my office.

I desire to leave the Army service,
1st As a matter of personal duty as a minister of the
Gospel. I have been in the regiment now over one
year, and while I have been neither negligent nor inactive,
I do not discover that my services are of such benefit
to the regiment as to warrant my continuance in it.
I cannot feel comfortable, or believe that I am in the way of
duty, maintaining a position, in which, having made
a fair trial, I conscientiously feel I can do but little
good. Opportunities for preaching and religious
teaching, especially in the winter season, are so limited, &
and so irregular, that for myself, I have fully concluded
that I can do more good among the families left at
home, than with the men in the field.

2d A second consideration which I may reasonably offer is the irregularity of my health. The experience of the past few weeks, warns me that my health is totally unequal to the exposure and vicissitudes of camp life.

My throat and lungs have become so much disordered of late that I am absolutely unfitted for public speaking in the open air.

For these reasons I respectfully offer my resignation, and will accept your action thereon as an indication of my further duty in the case.

My accounts with the Quartermaster are settled.

I have the honor to be

Very respectfully

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1867.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Form 1.—When a probable case for pension, special care must be taken to state the degree of disability.
 Form 2.—The place where the soldier desires to be addressed may be here added.
 County—
 State—

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1269 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, syphilis, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will send them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer whom the authority to discharge enlisted men may be specially given.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned by the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last clause on this paper; see that the soldier is furnished with the proper statement to duplicate, and forward BOTH of these papers direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given to the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, or the one may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Address: "The Adjutant General,
War Department, Washington, D. C."

WAR DEPARTMENT,

THE ADJUTANT GENERAL'S OFFICE,

WASHINGTON, July 11, 1922.

Respectfully returned to

**Mr. Thomas Whitely,
Stella,
Kentucky.**

The records show that James Minix, private, Company F, 14th Kentucky Infantry, deserted the service Feb. 20, 1865, at Louisa, Kentucky, never thereafter returning to his command, although he owed service until June 19, 1865, and although his company remained in service until September 15, 1865. A discharge certificate in his case will be issued by the War Department under authority of an act of Congress approved March 2, 1869 (25 U. S. 800), called the desertion act. Application by the widow of the soldier for removal of the charge of desertion and for an honorable discharge in this case, under that act, was denied by this Department. The same was denied, on the ground that the soldier did not serve until June 1, 1865, and that he was not released from completing his term of service by disability incurred in the line of duty. The affidavit of Robert Binn, which returned, contains no new material allegations, and cannot be accepted by this Department as a ground for a reversal of the former decision in the case.

A bill (H.R. No. 6299) was introduced in the 2nd Session of the 55th Congress for the relief of this soldier but it does not appear that that bill was enacted into law.

Acting The Adjutant General.
